강의소개 및 목표 Course Objectives & Summary	Our class brings the world to the classroom through a fun video program, relatable National Geographic content, and teacher-tested lessons. New lessons help learners to: Produce language in real-world scenarios using 'Can Do' Language Goals. Express themselves clearly through guided activities in the 'Active English' sections. Personalize topics and speak with confidence using new 'Global Voices' videos that model language goals and lead into guided conversation activities. Group conversations reinforce language lessons using the 'Real World Link' pages.

강의소개 및 목표 Course Objectives & Summary	<p>This course is designed for intermediate students who want to improve their English speaking and communication ability. The major goal of the course is for students to improve their confidence in English conversation by improving listening, pronunciation, and vocabulary. Students should also learn accurate and appropriate grammar and expressions to express themselves in a wide range of situations about a wide range of topics. Reading, and writing sections are also available and may be used. Classwork pages are listed below, but each lesson may include supplementary materials and extra conversation questions if time allows. The pace and content covered in the course may also be adjusted based on students' needs, interests, and preferences. At the end of the book, there are additional materials that students may complete for extra practice, but there is no official homework in the class.</p>
