강의소개 및 목표 Course Objectives & Summary	<p>This course is designed for Beginner level students, to focus on English acquisition and expression. Students will focus on understanding, listening and speaking activities based on the core material from a textbook. A PPT will be made available for students to use, as a resource. Using supplementary materials, the class will then have more opportunity for expression. The students should have fun while interacting with one another, gaining English speaking experience and increasing confidence levels. Students should also learn accurate and appropriate grammar and expressions to express themselves in a wide range of situations about a wide range of topics. Each lesson will consist of a different topic, review of basic vocabulary and a model conversation.</p> <p>Depending on the needs and ability levels of the students, additional instruction or supplementary materials may be provided in the areas of grammar, pronunciation, or other topics of interest.</p> <p>In addition, the attached calendar may differ depending on the students who register for the class. Some lessons may be deleted or supplemented depending on the needs and desires of the students, as seen by the teacher. Please make sure to bring your textbooks, pencil, and a notebook or extra paper to class.</p>
