강의소개 및 목표 Course Objectives & Summary	<p>This course is designed for students who want to improve their English speaking and communication ability with some attention to pronunciation. Each lesson consists of a different topic, reviews basic vocabulary, a model conversation, conversation function targets (i.e. asking about & describing family relationships, stating & addressing problems etc.), and a listening portion. Students will practice listening to conversations that will help them improve their listening skills in conversation and also elicit their own conversations to improve their communication skills and pronunciation. All four language skills will be included in the course with emphasis on verbal communication.</p>
