| 강의소개 및 목표 Course Objectives & Summary | <p>This course is designed for intermediate students who want to improve their English speaking and communication ability. The major goal of the course is for students to improve their confidence in English conversation by improving listening, pronunciation, and basic vocabulary. Students should also learn accurate and appropriate grammar and expressions to express themselves in a wide range of situations about a wide range of topics. Each lesson will consist of a different topic, review of basic vocabulary and a model conversation. Conversation function targets (i.e. asking about significant experiences, talking about important events, etc.), and a listening portion are also available.</p> | | |
